

# PATRICIA HWANG

WEB DEVELOPER

My background in Kinesiology and passion for creation has allowed me to understand the necessity of integration and the utilization of specific components into one collective entity. My skill sets are demonstrated through my ability to appreciate aesthetics as well as organization that helps in the fluidity and attention to detail that coding requires.

## SKILLS

Ruby • Rails • Javascript • Vue.JS • HTML • CSS • SQL • Postgres • Git

## PROJECTS

**Hello World** (Ruby on Rails, Vue.JS, Yandex API, Ngrok.io, Heroku)

-A Message translation App

- Developed a full stack application using a third party API to transcode messages from English to Korean
- Tunneled servers through ngrok.io and heroku for simultaneous messaging between multiple users and devices
- Implemented CSS text styling and effects for dynamic and readable frontend visuals

**Resume App** (Ruby on Rails, Heroku)

-Web application displaying each cohort member's resume

- Created the RESTful API backend to serve JSON for a class microservice project

**Save By The Bell** (Ruby on Rails, VueJS, Twilio)

-Money managing Web App with text message notification reminders

- Incorporated Twilio messaging for responsive alerts through dynamic user input

**Actualize Chrome Extension** (Javascript)

-Chrome Extension used to increase accessibility to commonly used web pages

- Customized a chrome extension with a customized built-in javascript library
- Designed and implemented pure CSS styling and effects

## EXPERIENCES

**Actualize** - Chicago, IL

Web Developer

January 2019 - Present

- Completed a 3-month intensive coding bootcamp by learning different frameworks and gaining troubleshooting skills in software development, design, and technique.
- Mentored new students entering into the program through whiteboarding, paired programming, and debugging code

**Bryn Mawr Rehabilitation Hospital** - Malvern, PA

Therapy Aide

September 2015 - December 2018

- Maintained patient confidentiality according to HIPPA guidelines while communicating clearly to managers and therapists concerning patient records
- Performed collaborative therapy treatments under the supervision of licensed Physical and Occupational therapists

EDUCATION

**Temple University** - Philadelphia, PA

Bachelor of Science in Kinesiology

May 2015
